To Whom It May Concern

There is no 2012 Iowa Youth Survey (IYS) County Trend Report for the county you selected. The 2012 IYS was completed by school districts and non-public schools across Iowa in the Fall of 2012. Unfortunately, no school districts or non-public schools from this county elected to complete the IYS this time. Therefore, there is no county trend report or 2012 county report. We apologize for any inconvenience this may cause and encourage you to contact your local school districts and non-public schools to encourage them to participate in future Iowa Youth Surveys.

Other reports, including the state, AEA, Judicial District, and Prevention Service Areas may be found at: <http://www.iowayouthsurvey.iowa.gov/>. This site is also the location where announcements about the 2014 IYS may be found beginning in early 2014.

Thank you for your interest in the Iowa Youth Survey!
